#### **TOUR DESCRIPTION**

This Eco Culture Journey invites you to experience the real Balinese village life, far from mass tourism. The journey takes you deep into a remote rural area surrounded by rice fields, traditional houses, and authentic local culture.

#### **STOP 1 – TRADITIONAL BALINESE HOUSE VISIT**

Visit an authentic Balinese traditional house compound. Learn about the house layout, Tri Hita Karana philosophy, and daily life of a Balinese family while interacting directly with local residents.

#### **STOP 2 – RICE FIELD WALK & SUBAK EXPERIENCE**

Walk through traditional rice fields and learn about the Subak irrigation system, recognized as a UNESCO World Heritage. Guests may participate in rice planting (seasonal) or engage in

friendly conversations with local farmers.

### **STOP 3 – VILLAGE TEMPLE (PURA DESA)**

Visit the village temple and learn about its role in Balinese spiritual life, including ceremonies, rituals, and proper temple etiquette.

### **STOP 4 – BALAI BANJAR (COMMUNITY HALL)**

Discover the Balai Banjar, the center of community activities. Learn about the banjar system, mutual cooperation, and traditional social structure of the village.

### **STOP 5 – BALINESE WOOD CARVING & CRAFT**

Visit a local artisan to observe traditional Balinese wood carving. Learn about carving techniques, symbolic motifs, and cultural meanings passed down through generations.

End the journey with a deeper understanding that Bali is not just a destination, but a way of life.
